CANARA BANK
Lead Bank Office, Erode

MESSAGE

I feel happy that Canara Bank, the Lead Bank of our Erode District prepared an elaborate booklet on the Annual Credit Plan with an outlay of Rs. 3284.00 crores for the year 2011-12.

All the people are aware that our district depends equally on agriculture and SME sectors. The rural areas thrive on agriculture and whereas the industries and business are ruling the other areas. Our district's ACP bears these in mind and adequate focus has been given to these sectors.

Due attention has also been focused on the women development. The thrust for SHG and micro finance has also been concentrated in this plan.

I congratulate the Lead Bank Office for having prepared a progress and people oriented plan which envisages overall development of our district.

FOREWORD

I have great pleasure in bringing out the Annual Credit Plan for the year 2011-12 of our Erode District. The plan has been prepared meticulously by our Lead Bank Office, Erode.

The plan has an overall outlay of Rs. 3284.00 crores which shows an increase of 10.46 % over the plan of 2010-11 duly taking into account the increasing need of credit , under all sectors , by all strata of people.

The sector wise allocation shows a major share for agriculture with an outlay of Rs.1466.57 crores , followed by SME with Rs.1089.49 crores. Other priority sector has a share of Rs.727.94 crores.

The ACP has been prepared based on Potential Linked Plan of NABARD which emphasizes the need for attaching importance to agriculture in a predominantly agro based district.

Apart from agriculture, SME sector, micro finance, housing scheme, education needs and other priority sectors are also given due care in the ACP.

I am confident that the working towards the achievement of the set targets under various sectors will take the progress of the district to greater heights.
